Who We Are

NTR serves low-income children, teens and adults in Philadelphia by refurbishing used computers, providing hands-on training, and assisting community-based service organizations to use computers in their work.

Computer Donations

We need donations of used computers, SVGA monitors, small dot-matrix printers, ink-jet and laser printers, and other accessories. And at NTR your computers are either refurbished, used for parts, or recycled responsibly.

Contact Us

Find out how your donations or cash contributions can help put computers in good hands and smiles on the faces of those who need your help. Visit our website, email or call Executive Director Stanley R. Pokras.
